

LAKELINES

August 2012

President's Letter
www.lakeinthewoods.org

Dear LITW Residents:

We hope everyone had a great summer and were able to enjoy our pool, lake or the common areas.

With school starting please drive slowly and pay careful attention to the school buses and children crossing the streets to get on and off the buses!

The trustees had their eighth meeting of the year on August 13th. The following are some quick notes from the meeting.

Finance-

As of July 31st we have about \$59,000 in the Sinking Fund, \$2,200 in the Lake Fund and about \$36,000 in our General Fund.

Through July 31st we are at about 57% of our budget. We believe we will be at or below the budget numbers for 2012.

Bainbridge Police-

An ongoing problem in the neighborhood is speeding on Lake in the Woods Trail. Many have voiced their concern about walkers, joggers, and children on bikes being in danger. The Police Chief said they are increasing their patrols in Lake in the Woods because of the break ins and that they will be pulling over cars for speeding. They asked us to notify the residents that

they will give you a ticket if they pull you over for speeding in Lake in the Woods. Please SLOW DOWN!!!

Trustee-

WE NEED YOUR HELP!!!! We are still looking for neighbors who would like to give back to the community and become a trustee. We have two neighbors that have stepped up and agreed to serve a two-year term. We still need two more neighbors to volunteer to become a trustee. Please keep in mind that most of the current trustees have served more than one term and would like to be replaced on the board. If you have any interest or would like more information about serving as a trustee, please contact Ken Lance at 708-1123 or klance@sbcglobal.net.

The terms are for 2 years. Come to the next meeting to see what is involved. It is not that large of a time commitment.

Next Meeting-

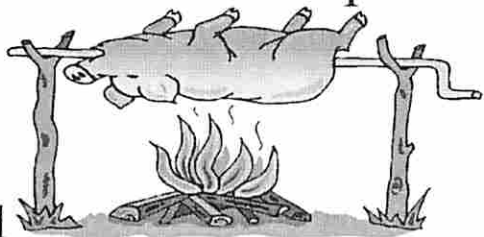

We would love to see you at our next meeting, which will be on September 10th at 7:30 at the Pavilion. If the weather is bad it will be at Ken Lance's home at 8638 Lake in the Woods Trail.

On behalf of the trustees - Best Regards,

Ken Lance
