President's Letter

Lake in the Woods Community,

Happy Holiday Season!! I wish you all a safe and healthy 2010. This year has been quite filled with numerous projects. It truly was an adventure unlike any previous year. We have made progress in making LITW a better place to live. We will continue to work through important issues this coming year. Thank you for your past input and support. I think there was a significant amount of education that took place this past year. Your trustees will continue to provide leadership and communicate about issues as they come up before major actions will be undertaken.

Thank you for taking such good care of your properties. The community really looks good. It seems like it was a very good November to put up outdoor lighting.

Your trustees for the upcoming year:

President Chris Cook [ccook@sherwin.com](mailto:ccook@sherwin.com) 543-6401

VP/Secretary Dan Spencer [spendan@yahoo.com](mailto:spendan@yahoo.com) 708-2909

Treasurer Chris Cook (we would like 1 more trustee to take this position, please consider this request)

Architectural Review Dan Isaacson [eye6sun@gmail.com](mailto:eye6sun@gmail.com) 543-1246 (\* new trustee this year)

Recreation Charles Marchant [cm@townfiltration.com](mailto:cm@townfiltration.com) 543-6555 (in charge of pool maintenance) along with Don Hubbard [uldon1@hotmail.com](mailto:uldon1@hotmail.com) 375-0855

Land & Safety Charles Marchant

\*Aquatic Maintenance Dave Strauch [dhstrauch@yahoo.com](mailto:dhstrauch@yahoo.com) 543-2096

(This is a newly created trustee position to work with Willow Valley and the lake committee.)

\*Lakelines Editor Holly Strauch [dhstrauch@yahoo.com](mailto:dhstrauch@yahoo.com) 543-2096 (Holly is taking over from Trish Owen who has done this job for the past two years. Thanks for your time and efforts Trish!!!)

Please consider the following:

Who is lowering the lake two feet to kill those pesky rodents and protect the lake shoreline? your trustees

Who put back up the greens that fell down at Misty Lake Glen? (Thanks to the Bongiovanni's and Markel's for putting up the decorations originally.) your trustees

Who called to tell the plowing company that posted flyers on the mailboxes that that kind of advertising was not allowed? your trustees

Who pays the bills and liens the properties of residents who don't pay their dues? your trustees

Who took down the volleyball net? your trustees

Who looked at the street sign at Mohican Trail that is leaning? your trustees

We did those projects this past Saturday morning (Sat. Dec. 12). Who do you think should do those things for your community? We need one more trustee. Anybody interested? Dan Isaacson is the only new resident to express any interest this year. Dan Spencer is a returning trustee. Charles and Chris are staying on for a third year. I could be replaced. I don't want to leave the trustees with only 5 members. Ladies? Past trustees? New residents? (a great way to meet people)

2010 will present its own set of adventures for LITW. We want to continue to keep communications open. We want to address continued community issues. Your trustees do work hard to keep this community an inviting place in which to live. It does take a commitment of at least 3-5 hours each month. We do enjoy being trustees but we do need help. We can only do so much without your help. Think about it!! Let a trustee know if you would like to discuss the possibility of becoming a LITW trustee.

Warmest Regards to all of you,  
David Strauch  
Retiring as your LITW Trustees President
