LAKELINES

March 2013

President's Letter  
[www.lakeinthewoods.org](http://www.lakeinthewoods.org)

Hi everyone,

It's the end of March but it doesn't feel like spring yet. We are in the process of collecting annual dues; for those of you who have paid thank you, for the others please remember they are due by April 15<sup>th</sup>.

We are gearing up for spring and summer. Our neighborhood spring cleanup will be scheduled in early May (more details in upcoming newsletters). We are also planning for the upcoming pool season. The first step is to start lining up lifeguards for the 2013 season. Jordan Mills (one of our trustees) heads up the Recreation Committee. Interested lifeguards please see the attached **Summer 2013 LITW Lifeguard Positions** memo. As I am writing this letter and talking about the pool, the sun came out....yes, a very good sign. We will keep you informed of other events planned throughout the year.

If you have any questions please contact me.

Kind regards,

Dan Isaacson

## Summer 2013 LITW Lifeguard Positions

We are now accepting applications for summer lifeguard positions at the Lake in the Woods pool. You must have current lifeguard, first aid, and CPR certifications or have these trainings completed by May 20, 2013. The season begins Memorial Day Weekend and lasts through Labor Day weekend. Daily schedules/shifts to be determined before opening day. Applications are due to Jordan Mills by May 1, 2013. Application and instructions for submitting are available on the web at [www.lakeinthewoods.org](http://www.lakeinthewoods.org) and click on Employment.

For questions please contact:

Jordan Mills

## Celebrate. Remember. Fight Back.®

On May 10-11, hundreds of Chagrin Valley residents and their family and friends will participate in the American Cancer Society's Relay for Life at Kenston High School. Among them will be several Bainbridge neighborhoods, including Bainbrook/Laurel Springs, Stoneridge, Lake Lucerne and Canyon Lakes. Many of us in LITW have been touched by cancer in some way and know it's devastating effects. It is for this reason that I have volunteered as team captain for the LITW relay team. To my knowledge, this will be the first time LITW will be participating in this event as a neighborhood. Please help me to make our first venture a success by volunteering to join the team. For more information, you can log on to [www.relayforlife.org/chagrinvalley](http://www.relayforlife.org/chagrinvalley). To participate, please click on the link below.
