Friends, Neighbors, and Residents,

**The Annual LITW Community Meeting  
is scheduled for  
Wednesday November 11, 2009  
7 PM**

**Bainbridge Library**

You all are invited to attend. Find out about your board of trustees. Hear committee reports. Learn about what's happened in 2009 and what some of the plans for 2010 will be.

4-Way Stop sign update. I learned just last Thursday from Matt Lynch that the criteria for getting a stop sign is 2,000 cars using an intersection in one 24-hour time period. Needless to say I was floored and saddened. Thanks to Sharon Zetzer for suggesting we try to get that intersection designated a 4 way stop. I guess safety issues and speeding cars aren't a good enough reason.

Dam Maintenance. I would like to thank Pete Bongiovanni for bringing the issue to our attention. He mentioned that it was time to brush hog the slope and remove some trees that had grown up near the spillway. Wheeler Landscaping did a great job on the mowing.

Have a very nice and safe holiday season. Please look out for people using the roads. Drivers drive slowly! Walkers and runners please remember to wear your reflective gear!

Dave Strauch  
President of Your Trustees

## LOOKING FOR A GOOD CONTRACTOR

We are planning on redoing our kitchen (gutting it!) and wanted to find out if anyone in LITW has done theirs, and would recommend their contractors. We would like several bids, and it would be nice to have a recommendation from the neighborhood. If you have any information, good or bad, please contact: [l\\_kammer@hotmail.com](mailto:l_kammer@hotmail.com). We really appreciate your help.
